**Come And Study
Medical Programme
At One Of The World's
Best Faculties**

The University of Malaya Medical Programme (UMMP) is a five-year professional undergraduate medical degree offering you clinical experience, research opportunities and elective placements. On successful completion of the programme, you will be conferred the Bachelor in Medicine and Bachelor in Surgery (MBBS) degree.

Why study at Faculty of Medicine UM?

- Study at one of the world's best university (ranked 87 under the latest QS World University Rankings 2018) and our programme is the oldest in Malaysia
- Provides the current best practice in medical education, high teacher-student ratios and extensive educational support
- Provides early and sustained clinical experience with emphasis on essential communication skill
- University Malaya has a large teaching hospital, University Malaya Medical Centre (UMMC), housing more than 1000 beds and more than 1 million patients annually, giving our students ample opportunities to practise the art of Medicine in a safe and supervised environment. UMMC is adjacent and physically connected to the Faculty of Medicine, creating a large complex dedicated to teaching, learning, research and health care
- Opportunity to be part of world class research programmes in the Faculty
- Opportunity to participate in student elective programmes with our international network and partner universities

FEES RM300,000

Closing date : 20 August 2018
